

Data protection declaration

Unless stated otherwise below, the provision of your personal data is neither legally nor contractually obligatory, nor required for conclusion of a contract. You are not obliged to provide your data. Not providing it will have no consequences. This only applies as long as the processing procedures below do not state otherwise.

“Personal data” is any information relating to an identified or identifiable natural person.

Server log files

You can use our websites without submitting personal data.

Every time our website is accessed, user data is transferred to us or our web hosts/IT service providers by your internet browser and stored in server log files. This stored data includes for example the name of the site called up, date and time of the request, the IP address, amount of data transferred and the provider making the request. The processing is carried out on the basis of Article 6(1) f) GDPR due to our legitimate interests in ensuring the smooth operation of our website as well as improving our services.

Contact

Responsible person

Contact us at any time. The contact details of the person responsible for data processing can be found in our legal notice.

Proactive contact of the customer by e-mail

If you make contact with us proactively via email, we shall collect your personal data (name, email address, message text) only to the extent provided by you. The purpose of the data processing is to handle and respond to your contact request.

If the initial contact serves to implement pre-contractual measures (e.g. consultation in the case of purchase interest, order creation) or concerns an agreement already concluded between you and us, this data processing takes place on the basis of Article 6(1)(b) GDPR. If the initial contact occurs for other reasons, this data processing takes place on the basis of Article 6(1)(f) GDPR for the purposes of our overriding, legitimate interest in handling and responding to your request. ***In this case, on grounds relating to your particular situation, you have the right to object at any time to this processing of personal data concerning you and carried out on the basis of Article 6(1)(f) GDPR.***

We will only use your email address to process your request. Your data will subsequently be deleted in compliance with statutory retention periods, unless you have agreed to further processing and use.

Orders

Collection, processing, and transfer of personal data in orders

When you submit an order we only collect and use your personal data insofar as this is necessary for the fulfilment and handling of your order as well as processing of your queries. The provision of data is necessary for conclusion of a contract. Failure to provide it will prevent the conclusion of any contract. The processing will occur on the basis of Article 6(1) b) GDPR and is required for the fulfilment of a contract with you.

Your data is transferred here for example to the shipping companies and dropshipping providers, payment service providers, service providers for handling the order and IT service providers that you have selected. We will comply strictly with legal requirements in every case. The scope of data transmission is restricted to a minimum.

Use of your email address for mailing of newsletters

We use your email address outside of contractual processing exclusively to send you a newsletter for our own marketing purposes, if you have explicitly agreed to this. The processing will be carried out on the basis of art. 6 (1) lit. a GDPR with your consent. You can withdraw your consent at any time without affecting the legality of the processing carried out with your consent up to the withdrawal. You can unsubscribe from the newsletter at any time using the relevant link in the newsletter or by contacting us. Your email address will then be removed from the distributor.

Your data will be forwarded to a service provider for email marketing in the course of order processing. It will not be forwarded to other third parties.

Use of your email address for mailing of direct marketing

We use your email address, which we obtained in the course of selling a good or service, for the electronic transmission of marketing for our own goods or services which are similar to those you have already purchased from us, unless you have objected to this use. You must provide your email address in order to conclude a contract. Failure to provide it will prevent the conclusion of any contract. The processing will be carried out on the basis of art. 6 (1) lit. f GDPR due to our justified interest in direct marketing. ***You can object to this use of your email address at any time by contacting us. You will find the contact details for exercising your right to object in our imprint.*** You can also use the link provided in the marketing email. This will not involve any costs other than transmission costs at basic tariffs.

Cookies

Our website uses cookies. Cookies are small text files which are saved in a user's internet browser or by the user's internet browser on their computer system. When a user calls up a website, a cookie may be saved on the user's operating system. This cookie contains a characteristic character string which allows the browser to be clearly identified when the website is called up again.

Cookies will be stored on your computer. You therefore have full control over the use of cookies. By choosing corresponding technical settings in your internet browser, you can be notified before the setting of cookies and you can decide whether to accept this setting in each

individual case as well as prevent the storage of cookies and transmission of the data they contain. Cookies which have already been saved may be deleted at any time. We would, however, like to point out that this may prevent you from making full use of all the functions of this website.

Analysis Advertising

Use of the Google Analytics

Our website uses the web analysis service Google Analytics from Google LLC. (1600 Amphitheatre Parkway, Mountain View, CA 94043, USA; "Google"). If you are ordinarily resident in the European Economic Area or Switzerland, Google Ireland Limited (Gordon House, Barrow Street, Dublin 4, Ireland) is the controller responsible for your data. Google Ireland Limited is therefore the company affiliated with Google responsible for processing your data and for compliance with the applicable data protection legislation.

The processing of data serves to analyse this website and its visitors and for marketing and advertising purposes. Google will use this information on behalf of the operator of this website to evaluate your use of the website, to compile reports on website activity and to provide other services to the website operator relating to website and internet use. In this process the following information, inter alia, can be collected: IP address, date and time of the website access, click path, information on the browser and the device you are using, the pages visited, referrer URL (website via which you accessed our website), location data, purchasing activities. The IP address transmitted from your browser within the scope of Google Analytics is not associated with any other data held by Google. Google Analytics uses technology such as cookies, web storage in the browser, and tracking pixels which enable an analysis of your use of the website. The information generated by these regarding your use of this website is usually transferred to a Google server in the USA and stored there. IP anonymisation is activated on this website.

Google uses this to shorten your IP address beforehand within Member States of the European Union or in other signatories to the Agreement on the European Economic Area. Only in exceptional cases will the full IP address be transferred to a Google server in the USA and shortened there.

The data processing, particularly the placing of cookies, is carried out on the basis of Article 6(1)(f) GDPR due to our overriding legitimate interest in the needs-based and targeted design of the website. **On grounds relating to your particular situation, you have the right to object at any time to this processing of personal data concerning you and carried out in accordance with Article 6(1)(f) GDPR.**

You can also prevent the collection of the data (including your IP address) generated by Google Analytics and related to your use of the website by Google as well as the processing of this data by Google by downloading and installing the browser plug-in available at the following link [\[https://tools.google.com/dlpage/gaoptout?hl=de\]](https://tools.google.com/dlpage/gaoptout?hl=de). To prevent the data collection and storage by Google Analytics across multiple devices you can place an opt-out cookie. Opt-out cookies prevent the future collection of your data when you visit this website. You need to implement the opt-out on all systems and devices that you are using, so that this works comprehensively. If you delete the opt-out cookie, requests will be transmitted to Google again. When you click here the opt-out cookie will be placed: [Deactivate Google Analytics](#). You can find more detailed information on the terms and conditions of use and data protection at <https://www.google.com/analytics/terms/de.html> and/or at <https://www.google.de/intl/de/policies/> and at <https://policies.google.com/technologies/cookies?hl=de>.

Use of Google Ads conversion tracking

Our website uses the online marketing program "Google Ads", including conversion tracking (evaluation of user actions). Google conversion tracking is a service operated by Google LLC (1600 Amphitheatre Parkway, Mountain View, CA 94043, USA; "Google").

If you are ordinarily resident in the European Economic Area or Switzerland, Google Ireland Limited (Gordon House, Barrow Street, Dublin 4, Ireland) is the controller responsible for your data. Google Ireland Limited is therefore the company affiliated with Google responsible for processing your data and for compliance with the applicable data protection legislation.

If you click on adverts placed by Google, a cookie is placed on your computer for conversion tracking. These cookies have limited validity, do not contain any personal data and thus cannot be used for personal identification. If you visit certain pages on our website and the cookie has not yet expired, we and Google can recognise that you have clicked on the advert and were forwarded to this page. Every Google Ads customer receives a different cookie. It is therefore not possible to track cookies relating to the websites of Ads customers. The information collected using the conversion cookie serves the purpose of producing conversion statistics. This allows us to find out the total number of users who have clicked on our adverts and were forwarded to a page equipped with a conversion tracking tag. However, they do not receive any information with which could be used to personally identify users.

Your data may be transmitted to the USA.

The data processing, particularly the placing of cookies, is carried out on the basis of Article 6(1)(f) GDPR due to our overriding legitimate interest in addressing visitors to the website with targeted, interest-related advertising. **On grounds relating to your particular situation, you have the right to object at any time to this processing of personal data concerning you and carried out in accordance with Article 6(1)(f) GDPR.**

You can deactivate personalised advertising in Google's advertising settings. Instructions for this can be found at <https://support.google.com/ads/answer/2662922?hl=de>.

Alternatively, you can prevent the use of cookies by third parties by calling up the Network Advertising Initiative deactivation page at <https://www.networkadvertising.org/choices/> and following the further opt-out instructions specified there.

You then won't be included in the conversion tracking statistics.

You can find more information as well as Google's data privacy policy at: <https://www.google.com/policies/privacy/>

Use of the remarketing or "similar target groups" function by Google Inc.

Our website uses the remarketing or "similar target groups" function by Google LLC (1600 Amphitheatre Parkway, Mountain View, CA

94043, USA; "Google").

If you are ordinarily resident in the European Economic Area or Switzerland, Google Ireland Limited (Gordon House, Barrow Street, Dublin 4, Ireland) is the controller responsible for your data. Google Ireland Limited is therefore the company affiliated with Google responsible for processing your data and for compliance with the applicable data protection legislation.

This application serves to analyse visitor behaviour and visitor interests.

Google uses cookies to analyse website use, forming the basis for producing interest-related adverts. Cookies allow for the recording of website visits as well as anonymised data on the use of the website. The personal data of website visitors is not saved. If you then visit another website in the Google display network you will then be shown adverts which are more likely to take previous areas of product and information interest into account.

Your data may be transmitted to the USA.

The data processing, particularly the placing of cookies, is carried out on the basis of Article 6(1)(f) GDPR due to our overriding legitimate interest in addressing visitors to the website with targeted, interest-related advertising. ***On grounds relating to your particular situation, you have the right to object at any time to this processing of personal data concerning you and carried out in accordance with Article 6(1)(f) GDPR.***

You can deactivate the use of cookies with permanent effect by following the link below and downloading and installing the plug-in provided there: <https://support.google.com/ads/answer/7395996?hl=de>

Alternatively, you can deactivate the use of cookies by third parties by calling up the Network Advertising Initiative deactivation page at <https://www.networkadvertising.org/choices/> and following the further opt-out instructions specified there.

You can find more detailed information on Google remarketing as well as the associated data privacy policy at:

Plug-ins and others

Use of YouTube

Our website uses the function for embedding YouTube videos by Google Ireland Limited (Gordon House, Barrow Street, Dublin 4, Ireland; "YouTube"). YouTube is a company affiliated with Google LLC (1600 Amphitheatre Parkway, Mountain View, CA 94043, USA; "Google").

This feature shows YouTube videos in an iFrame on the website. The option "advanced privacy mode" is enabled here. This prevents YouTube from storing information on visitors to the website. It is only if you watch a video that information is transmitted to and stored by YouTube. Your data may be transmitted to the USA.

The data processing is carried out on the basis of Article 6(1)(f) GDPR due to our legitimate interest in the needs-based and targeted design of the website. ***On grounds relating to your particular situation, you have the right to object at any time to this processing of personal data concerning you and carried out in accordance with Article 6(1)(f) GDPR.***

Further information on the data collected and used by YouTube and Google and your associated rights and options for protecting your privacy can be found in YouTube's privacy policy (<https://www.youtube.com/t/privacy>).

Use of Consentmanager

Our website uses the consent management tool Consentmanager from Jaohawi AB (Håltegelvägen 1b, 72348 Västerås, Sweden; "Consentmanager").

The tool enables you to grant consents to data processing via the website, in particular the placing of cookies, and to make use of your right of revocation for consents already granted.

The processing of data serves the purpose of obtaining necessary consents for data processing and to document these, thereby complying with statutory obligations.

Cookies may be deployed for this purpose. In this process the following information, inter alia, can be collected and transmitted to Consentmanager: Date and time of the page retrieval, information on the browser and device you are using, anonymised IP address, opt-in and opt-out data. This data will not be forwarded to other third parties.

The data processing is carried out on the basis of Article 6(1)(c) GDPR to comply with a legal obligation.

More information on data protection at Consentmanager can be found at: <https://www.consentmanager.net/privacy.php>
